### **Old Business – Discussion and possible vote on the following items:**

Recommendation from the Sustainability Committee relating to the Allen Harim/ Artesian wastewater treatment plan (discussion of further action)

**It should be noted that Councilman Garde and Vice Mayor Kelly did present a list of pertinent questions to assist the Sustainability Committee to assist in their recommendation to be made to the Council at this meeting.**

Michela Coffaro, Chair of the Sustainability Committee, presented a draft to create a “Clean Water, Land, and Air Resolution” to be presented to all appropriate officials at the Delaware State, County, and major Groups (DNREC) by the Town of Milton.

Anthony Scarpa representing the **Keep our Wells Clean** organization spoke to the issues that he did discuss at the Town Council meeting of 9/11/2017 and summarized the issues on the table. He said he had recent discussions with DNREC and DNREC said they would be issuing a report on the project in three weeks.

Wayne Hudson, experienced in water treatment issues, complained that the Town Of Milton should stop dumping our sewage waste into the Broadkill River before we criticized the Allen Harim / Artesian project. Mayor Kanakos explained that Tidewater was responsible for the treatment and disposal along with the State of Delaware permitting process. He also stated that the project was being utilized to remove the dumping of the treated waste in the small stream next to Allen Harim and to “get it out of the water”.

Hobby Issaacs, area farmer, stated that he had farm property that was in the Spray Area. The project was a good thing and was helpful as an irrigation method that would provide good fertilizer to the sprayed fields. He felt opposition to the Project was distorting the issues. He noted that in the winter if the ground was frozen the liquid would be sprayed into the wooded areas on the trees.

A motion was made to approve the creation of a resolution, which would be discussed at our next Town Council meeting by Councilman Garde, seconded by Councilman West and unanimously approved.

### **New Business – Discussion and possible vote on the following items:**

Resolution 2017-016 to ratify the adoption of the fiscal year 2018 fee schedule

Motion was made to approve resolution 2017-016 by Councilman West, seconded by Vice Mayor Kelly and unanimously approved by Roll Call vote.
